Interesting Old Building. An interesting history is connected with the 14x28 building that has been moved to the cemetery to be used as a tool house. June \$, 1814, it was voted to have a building suitable to hold a hearse, set on the southwest corner of the then new burying ground. After fifty years' service the hearse house was sold to a resident of hearse house was sold to a resident of Hanover who used it as a a carriage house. Since that time it has been used as a meat market, a U. S. post-office, a dwelling, and now is doing duty in the new cemetery.
